

How it works

To book a lane or a table in our restaurant please call 020 7426 9200

The advanced booking lines are open Mon – Fri
from 10am-6pm and on Weekends from 11am–6pm.

Bookings

We take bookings in the main hall for the lanes and diner up to 2 months in advance.
During peak periods we take combined bookings only, for a game of bowling and a reservation in our diner.

We have 6 lanes in the main hall and advise that a maximum of 6 people play per lane. We take advance bookings for 1 game, and will allocate suitable time and lane space dependant on your group's size. We can book you a table in Diner for either before or after your game.

We always recommend that you book in advance, but we do always have 1 walk in lane which is booked out on a first come first serve basis. This is for people who come down without booking or for those who have booked for 1 game and then want another.

During December we only take combination bookings

Groups of 30-40

We do find it difficult accommodating groups between 30-40 in our main hall. Ideally we try to book you 4 to 6 lanes so you can all bowl together at the same Time. We can only do this at quiet times so please give us a call and we will do our best to fit you in.

Groups of 42+

For larger groups of this size we will always recommend our private room as we cannot accommodate groups of over 42 in our main hall.
